

Praying at "Newington Trinity"

He made the moon to mark the seasons; the sun knows its time for setting.

Psalm 104:19

Let us praise and thank ...

- God that he made the moon, stars, plants, seasons and us
- that God is in our lives and is with us day by day, whether things are good or bad
- him for all the blessings we have day in, day out

As we gradually approach the union and "Newington Trinity" becoming real

- give us joy, humility, forgiveness, contriteness and patience, as we learn to follow God's path together into this new adventure
- give thanks for the meetings of the Pioneer Group and help it to work together
- pray for those who have the jobs of supporting and working out the changes, paperwork and smoothing the way

Let us pray for our country and the world...

- Ukraine, Palestine, Israel and the many countries living in conflict
- our Government-local and national, the Royal family and others in leadership roles

Pray for our community...

- for Prestonfield School as they have new staff, new children, joys and difficulties; pray for the families who need support; pray for the part we may have
- for the Street Pastors, the Care Van, the volunteers and those they support
- for all those we know who have long term conditions which affect them day by day, either physical or mental; for those who are bereaved recently; those with money problems; needing a new home or are homeless; be aware of those who need support as we go about our daily life
- and for all the new students who are arriving at the moment, some excited, some scared; again may we look out for people who need support. Pray for overseas students who are coping with different places, culture, food and language

Let us pray ...

- as we think of the Newington Trinity parish, particularly those who live on St Albans Road, Mayfield Gardens and the Marchhall Roads
- for ourselves, for our own walk with God and where it is leading us
