

Prayer at Priestfield

"Unless the Lord builds the house, the builders labour in vain. Unless the Lord watches over the city, the guards watch over in vain."

Psalm 127:1-2

Let us give thanks ...

- that God is with us every step of the way. Open our eyes that we may see him alongside us
- for the shared worship of Newington Trinity on Ash Wednesday and on Sunday

Pray for our world and country...

- that the talk of a ceasefire in Gaza will become a reality; that out of this horror there may grow a new way by which Israel and Palestine may co-exist in peace
- that there may be peace in Ukraine. That there will be a change of heart in the leadership in Russia. That justice and peace may prevail in the region.
- and in our own country, that there will be leaders who want to serve the people of this country and the world

Praying for the new creation of Newington Trinity...

- we continue to pray for the smooth change from three separate fellowships into one and that we can all graciously accept some change and loss and embrace new friends and ways of worship, activity and arrangements
- as the launch event for the Pioneer Ministry comes closer, that people be willing to find out about this and come along on Saturday 16th March
- as well as caring for the new large fellowship of Newington Trinity, may we be challenged as to how we are to reach out into the large new area we have to care for. Let us pray for help as we think about how we can share the gospel/ good news with the people in this area and give care to them

and for Priestfield and the community...

- including the streets of Peffermill Road and Kings Meadow, praying for the many people we do not know and opportunities for caring for people here
- continuing to pray for local charities who are in great need, particularly thinking of the Street Pastors and the Food Banks who have lost financial support. We give thanks for those who work for them and that new ways of financial support may be found
- for Messy Church on Saturday 24th February - for a really good time
- finally pray for yourself, your family and friends
